Back-End Web Developer with hands-on experience in **ASP.NET Core** and **RESTful APIs**. Strong understanding of **database design, authentication, clean architecture**, and building scalable server-side applications.

Seeking a **Junior Back-End / .NET Developer** role to apply my skills in real-world production systems.

Technical Skills

Back-End

- ASP.NET Core Web API
- C#
- Entity Framework Core
- RESTful APIs
- Authentication & Authorization (JWT)

Front-End (Supporting Skills)

- React.js
- JavaScript (ES6)
- HTML5, CSS3
- API Integration (Axios)

Database

- SQL Server
- Database Design
- Relationships & Constraints

Architecture & Concepts

- Clean Architecture
- SOLID Principles
- OOP
- Repository Pattern

Tools

- Git & GitHub
- Postman
- Swagger
- Visual Studio / VS Code

Projects

E-Learning Platform (Full Project – Back-End Focused)

 **Live Demo:** <https://www.talented-academy.space>

 **GitHub:** <https://github.com/mosaadmowfak/E-Learning-Back>

- Developed the Back-End using ASP.NET Core Web API following Clean Architecture principles.
- Designed and implemented RESTful APIs consumed by the Front-End application.
- Built the Front-End using React.js to handle user interactions.
- Implemented JWT Authentication & Role-Based Authorization.
- Designed relational database schema using SQL Server & Entity Framework Core.

- Integrated online payment gateway (Paymob).
- Deployed the application and managed environment configuration.
- Implemented role-based access (Admin / Instructor / Student)

Work Experience

- **Back-End Web Developer (Freelance / Projects)**

2024 – Present

- Designed and implemented RESTful APIs
- Integrated databases and authentication systems
- Collaborated with front-end using API contracts

- **Summer Intern – National Bank of Egypt (NBE)**

July 2024 – August 2024

- Supported IT and system operations
- Assisted in troubleshooting and system testing
- Gained exposure to enterprise-level infrastructure

Education

Bachelor of Computer Science

Misr University for Science and Technology (MUST)

CGPA: 3.63

Expected Graduation: 2026

Languages

- Arabic: Native
- English: Very good
